

FOUNDATION OF THE WORD MINISTRIES

Pastor Sharée Gilson

March 2015

MISSION SIERRA LEONE

First, I must praise the Lord, who changes the hearts of men, who bestows blessings on us, and is able to do exceeding, abundantly more than we can ask or think. I would also like to ask all of you to come in agreement with me and Foundation of the Word Ministries in doing the Lords' bidding by following the mandate of Jesus to feed those in need and heal those who are sick, and have a broken Spirit.

We know that in order to feed the Spirit the belly must first be fed, for no one can hear, nor think, on an empty, growling stomach. By sending money which provides food, we are given an opportunity to have an open dialogue with the indigenous people of Sierra Leone. They are not only told of the love that God has for them, but they have a chance to see that love in action. The dispersal is commencing in two (2) provinces, serving the needy in the City of Makeni, and in Yeli Sanda which also provides for orphans, and the blind and the physically challenged.

The Sierra Leoneans' have such a heart for God and true gratitude for what is being sent to sustain them first during the Ebola Crisis and now the deprivation. They, as I, realize that nothing can be accomplished without dedicated servants standing arm in arm with our brothers and sisters in the Faith, and by praying, interceding and supplying for the need.

I will continue to thank you and the entire ministry for the aid you are sending to us. Thanks for being part of the fight to eradicate the Ebola virus from our beloved country, the Lord will surely reward you and the entire membership.

God bless you
Helen

FEEDING THE CHILDREN OF SIERRA LEONE

In This Issue

- How your donations are being used.

- Our Story

All Hands Ready for the Distribution

The Ebola situation is really getting better though the numbers are fluctuating , but we really thank God for the numbers of new cases because they are really reducing as of now. It is true that some regions are now free from the Ebola virus, regions especially where the epidemic started.

However, thank you very much for the prayers and fasting. Please extend my thanks and appreciation to the other members of your ministries.

In God we trust,

Helen

Team Sierra Leone

Meet Helen Fornah. She is our contact person in Sierra Leone. She, and the team that she has assembled, purchase, separate, divide and deliver the food to the various locations and people. She also makes it possible for the pictures and video to be sent to the ministry and posted on-line for your viewing.

Thank you again Helen for all that you and your team do.

You are invited to view the pictures and videos on the website, www.fotwministries.org, and see how you can help change lives.

Helen Fornah

ABOUT US

We were birthed in 2010 with little direction, except the knowledge that people were physically ill and hungry, but not realizing in most cases what that hunger, what that sickness entailed, which is the touch from the Almighty. We began distributing food to those in need in our community then when the Ebola crisis hit to further that cause in Sierra Leone.

Since then we have come to realize that there continues to be a deep need in the lives of the people in this country and the Sierra Leoneans. We have pledged to stand in the gap for them and for those in the U.S.A. by first feeding the stomach and then the spirit.

It is only by receiving donations from you that we are able to further this mandate from God--Feed and Heal, physically and spiritually, those in need. If you or your organization are as moved as we are, we urge you to answer the high calling with us. A donation of any amount would energize our ability to help more who are in urgent need of assistance. Don't delay this life saving and sustaining aid to those living in the United States and in foreign Missions. Help us to intercede as Jesus said, to those who are in need by contributing to this worthy cause.

We are bound by our awareness of the mandate of our Lord and Savior, Jesus Christ to heal the sick, and feed those in need.

I have given an example that you should do as I have done John 13:15
